The screenshot shows the 'Enter Serial Number' step of the Adobe Creative Suite 5 Master Collection installation wizard. On the left is a navigation sidebar with the Adobe logo and menu items: WELCOME, SERIAL NUMBER (highlighted), ADOBE ID, OPTIONS, INSTALL, and FINISH. The main area has the title 'Enter Serial Number' and two radio button options: 'Provide a serial number.' (selected) and 'Install this product as a trial.' The serial number '1325 1813 9220 5637 4326 4674' is entered in a field with a green checkmark. A dropdown menu is set to 'English (International)'. A red box highlights the serial number field and the dropdown menu, with a red arrow pointing from the dropdown to the 'NEXT' button at the bottom right. Below the serial number field, it says 'This serial number will be used for: Creative Suite 5 Master Collection' and provides a link to the Software License Agreement.
